Dear Mark Collins-Cope,

You let us know you were unhappy with us on 3rd March 2026.

We logged that as a complaint and, on 28th April 2026 it will have been 8 weeks, I'd like to know how you feel we've dealt with it so far.

Hopefully we have fixed the issue but if not, we're sorry that it's taken so long and we'd like to see if there's any more that we can do for you.

Just use one of these links to let us know:

* It's been resolved and I'm happy now. https://octopus.typeform.com/to/Dv2MEJ0R?name=Mark%20Collins-Cope&email=markcollinscope%40gmail.com&team=team_ro15&brand=octopus_energy&resolved=yes

* It's not been resolved yet and I'd like a dedicated customer happiness specialist to investigate it for me.

If you'd prefer to talk to someone, you can reach us on 0808 164 1088 between 9am-5pm Monday to Thursday, 9am-4pm Friday, or just reply to this email.

Taking your complaint further

We think it's important that you have free, independent help and advice especially as eight weeks have passed since you first told us about your complaint.

We would like one final opportunity for a dedicated customer happiness specialist to look into resolving your complaint & if you click on the above or reply to this email, they will be in touch within the next few days. From 28th April 2026 you have the right to refer your complaint to The Energy Ombudsman, if you want to.

The Ombudsman's role is to help to resolve disputes between energy suppliers and their customers. It is free to use their services, and they are totally independent - so they do not take sides, and make their decision based only on the information available.

If you agree with their decision, we have to act on what they say. This may mean we have to apologise, explain what has gone wrong, correct the problem or give you a financial award.

You do not have to accept their decision and you will not be held to it or charged in any way by them.

The contact details for The Energy Ombudsman are given below. Please make sure you mention you've received this 'eight-week' letter when you contact them.

How to contact The Energy Ombudsman

Website: <http://www.energyombudsman.org>

Email: enquiry@energyombudsman.org

Phone: 0330 440 1624 (Monday to Friday, 8am to 8pm, and Saturday, 9am to 1pm)

Post: Energy Ombudsman, PO Box 966, Warrington, WA4 9DF

Love and power,

The Octopus Energy team

Connor

Thank you for your email.

This complaint is now well beyond the 8-week period, and I have still not received substantive responses to the issues raised, including the refund calculation methodology and associated billing concerns.

Following my original complaint, I also provided supplementary questions in an attempt to clarify matters and engage constructively. No substantive response has been provided to those questions either.

At present, I do not believe the underlying issues raised in the complaints have been addressed.

I am therefore continuing preparation for escalation of this matter to the Energy Ombudsman.

However, should Octopus wish to provide a substantive response addressing the points raised, including the refund methodology and associated financial concerns, I remain willing to consider it.

Regards,

Mark Collins-Cope
