

ApxAvroReappears

This appendix shows the bill in which the 'residual' uncanceled debit balance of £ 293.44 from Avro in 2021 was added back into the account. Previously this value had been 'hidden' in a 'holding' account of sorts. The reason for this is unclear.

It would be interesting and possibly revealing as to why this approach to the residual amount in my 'Avro' account was 'tucked away' from 2022 to Nov-2024, and what spurred the sudden undiscussed reappearance.
