Hello, here's your gas statement

from 30 April 2013 to 23 October 2013

The balance you owe us is **£232.31**

- So, we've reviewed your account and your monthly payments need to increase to **£203.00 starting from 20 November 2013**. You don't need to do anything, we'll take care of the arrangements.
- When we worked out your new monthly payment we included the £232.31 to help spread the cost for you.
- Save a further £6 off your standing charge when you register online and go paperless.

Your statement is based on an actual reading

- We call to read your meter around every six months, but you can still give us a reading any time. This will help us to ensure that your payments are as accurate as possible. You can do this easily:

Online at **www.southern-electric.co.uk** or
Call our 24 hour Meterline on **0800 220 995**.

Statement date: 01 November 2013

Your annual gas statement

This page is for your information only

Your energy costs

How much energy did I use in the last 12 months?	Since this time last year you've used 0 kWh at our discounted energy rate and 43766.00 kWh at our standard energy rate.
How much will my energy costs be in the next 12 months?	In the coming year we estimate your costs will be £2,206.06 . We've worked out the above figures by looking at actual meter readings obtained over the last two years and your new prices. We are currently writing to our customers to explain the change in prices. Remember, your energy cost for the next 12 months is still only an estimate.
Could I use less and save?	We can help you to find ways to use less energy and save money by being more energy efficient. Go to www.southern-electric.co.uk/BeingGreen for ideas.
How does this compare to a standard tariff paying by direct debit?	On our standard tariff paying by monthly direct debit we estimate you might pay £2,205.97.

Your tariff

What tariff am I on?	General Domestic - moneysavers.
When does my tariff end?	No fixed date
Is there a cancellation fee?	No cancellation fee.
What discounts are available?	£40 a year Direct Debit and a further £6 a year by choosing paperless billing.
How can I find out more?	We care about getting it right for you and pride ourselves on delivering great service and value for money. You can find everything you need to know about us, by visiting www.southern-electric.co.uk .
How easy is it to change my supplier?	It's easy to change supplier. So why don't you recommend us to a friend so they can benefit from our great service. We've been voted Best for Customer Service 8 times in a row by uSwitch so you can rest assured our customers are in safe hands. For independent advice visit www.adviceguide.org.uk .

The costs that make up household energy bills

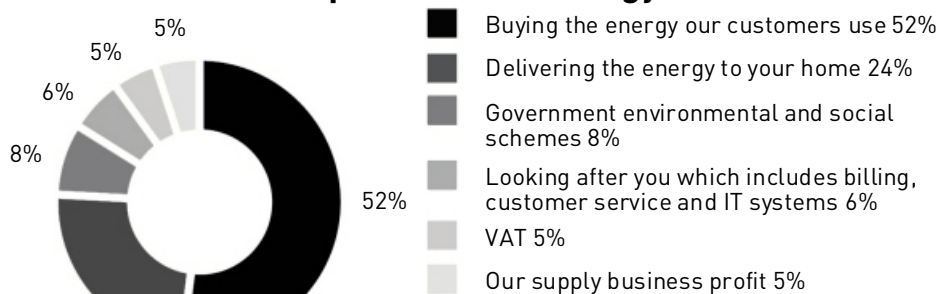

Illustration based on information from SSE's Consolidated Segmental Statements published from 2010-2013 which are available on our website. Average costs per energy bill weighted to reflect our customer base (59% electricity, 41% gas). Costs will vary depending on fuel(s), region and tariff.
