Hi Octopus team,

Hello,

I'd appreciate a correct response to my complaints, and verification of your receipts of emails.

In particular I have three complaints ongoing - and have received an official complaint code for only one.

I have sent various additional information emails and it in your best interest to enable me to direct the correct information at the correct complaint.

If I do not receive the correct number of notifications / numbers, this will be raised as an additional complaint.

Please note I will not accept the well known trick of trying to conflate compaints to muddy the water.

Please respond within 7 days confirming at least three complaint numbers.

The two unacknowledged complaints are due to be escalated to the ombudsman in a few weeks should these not be forthcoming.

If you require any clarification from me on anything I'm happy to assist. Please feel free to ask.

Yours Sincerely
M. C. Cope.
