Hi Mark,

There's an outstanding balance of -£1,970.16 on your account.

It's easy to make a card payment online <https://octopus.energy/pay/> - you can choose to pay in full or just a portion (we will still send you reminders if you don't have a direct debit set up).

To get in touch, just reply to this email or call out freephone number 0808 164 1088.

If you're not able to pay in full right now, could you set up a Direct Debit?

We recommend setting up a Direct Debit for a few reasons:

- The rates are slightly cheaper than what you're paying right now, find out why <https://octopus.energy/help-and-faqs/articles/some-tariffs-cheaper-direct-debit/>.
- Most people use less energy in the summer and more in the winter, so bills may fluctuate a lot if you pay your bills in full by card. With a Direct Debit we'll aim to smooth out your payments throughout the year so you're more in control
- Paying a set amount every month makes it easier to budget.

You can set up a Direct Debit in a few clicks using your online account. <https://octopus.energy/login/>

If you'd like to talk to us: just reply to this email or give us a call on our freephone number 0808 164 1088.

Love and power,

The Octopus Energy team

Dear Octopus Energy,

The reason the direct debit is not operational is you - without informing me or asking my permission - took an extra £150.00 (total £450) with the last direct debit. The agreed amount is £300 pcm. That's all I can do.

You may set up a new direct debit - with the details below - on sole condition that you take No More Than £300 per month. In the event you take more, by setting up this direct debit you are entering into a contract with me to refund any over-collection (> £300), and also credit my account with £300 in recompense for

your error. This is a contractually binding arrangement.

Here are the details to use:

Mark Collins-Cope

Monzo Bank

04-00-04

89092873

Payment date: 25th of each month - this is import as it synchronises with salary payment.

Please confirm if you set up the direct debit - **by email**.

Yours Sincerely,
M. Collins-Cope.

Good Evening Mark

Thank you for reaching out to Octopus Energy. I apologise for any inconvenience caused by the direct debit issue. I understand that you were charged an extra £150, and I'm here to assist you with resolving this matter.

I will ensure that your direct debit is set up for £300 per month, as agreed and that this will be taken on the 25th of each month.

Kind regards,
Correen
