Hi Mark,

Good to know:

We're offering fixed price tariffs again. The prices we can offer change unpredictably and regularly, sometimes daily, based on the latest wholesale costs - our prices are currently some of the best fixed prices available, and worth considering if you'd like certainty.

If you'd like to fix your prices, you can check the current rates at any time in your online account:
https://octopus.energy/dashboard/accounts/A-A7CD64F4/tariff-renewal/?utm_source=bau&utm_medium=email&utm_campaign=content-billing-statement&utm_content=tariff-options

Your energy statement
23rd December - 26th December

Your previous balance: -£1881.12

1. Charges on your account (Inclusive of VAT)
Electricity: -£27.94
Electricity: -£61.10

Your new balance: -£1970.16

As you have no Direct Debit in place, your balance of £1970.16 is due for payment by 11th January 2024. Please pay online by card at <https://octopus.energy/payment> or use one of the alternative methods detailed in the bill.

FAQs and quick links

When does Octopus send my statements?

<https://octopus.energy/help-and-faqs/articles/when-does-octopus-send-my-statements>

What does 'above zero' or 'below zero' mean?
