Hi Mark Collins-Cope,

We are sorry to hear that you are unhappy with our service. As a result of your feedback we've opened a complaint for you, which is complaint reference 2043241.

As a company we pride ourselves on outrageously good service and strive to make sure every customer receives this same standard of service, therefore we will be conducting a thorough investigation into your concerns.

Your complaint will be reviewed in accordance with our complaints management process, which can be found on our website octopus.energy/unhappy/. A paper copy can be made available upon request.

Once the investigation has been completed, we will be in touch with an update.

If you require any further assistance, please do not hesitate to contact us on issueresolution@octopus.energy.

Thank you for your patience while we try to put things right.

The Octopus Energy team

hello.

please note this is four complaints.

please address them individually.

I will not accept any response which attempts to conflate the different complaints - a common technique used to ignore important issues

as such one complaint refence is insufficient.

accordingly I am assuming that three are as yet unacknowledged.

the clock is ticking and the eight week limit will be applied to the three unacknowledged complaint if individual acknowledgement is not received.

yours sincerely.
