dear octopus energy

This email is too instruct you that the max amount to be taken monthly from
my account via DD is Now £200.00

direct debit max £200 pcm.

** please confirm this by return email **

please note amounts > £200 will cause the DD to fail. and would in any case be unauthorised.

alternatively I can set a standing order to make payment and will do so if needed.

however as you're stuck a great company in sure that won't be necessary.

please note i still have various out standing issues I have to resolve with yourselves, however I will be in
contact on the future to discuss in detail

at present I am outside the UK so not in a position to address these

however my best wishes,
m. c. cope.
