Dear Mr M Collins-cope,

Thank you for paying by Direct Debit. You have received our maximum discount by paying this way.

This is your gas statement for 01 May 2011 until 02 November 2011.

You owe us **£174.38**.

In the meantime we have reviewed your account and your monthly payments need to increase to £123 starting from 20 November 2011.

You don't need to do anything because we will take care of the arrangements.

Please turn over for details of how we have calculated your charges and monthly payment.

As part of our ongoing commitment to the environment we want to reduce the amount of paper we use and we have also listened to our customers who tell us they don't like estimated bills. So you now receive a statement every 6 months to coincide with when we have called to try to read your meter.

Since this statement covers a 6 months period we have adjusted the number of standard and discounted units, where applicable, to cover the longer period and ensure your charges are generally the same as if we had billed you over 2 separate quarters.
